

## Microsoft 365 Services

Microsoft 365 is the go-to choice for businesses looking to move to the cloud. Microsoft 365 integrated cloud services provide the essential features and functionality your business needs—all as one solution.

### OFFERING A BROAD RANGE OF MICROSOFT 365 OPTIONS\*

#### Business Plans

Microsoft 365 plans for small and medium businesses (up to 300 users) provide an integrated solution with Teams, OneDrive cloud storage, and Microsoft 365 apps with advanced security options—at a price that's right for your business.

#### Enterprise Plans

Transform your enterprise with an integrated cloud platform that delivers industry-leading productivity apps like Microsoft Teams\*\*, Word, Excel, and PowerPoint, along with intelligent cloud services and world-class security.

\*Other options are also available including Frontline Worker, Public Sector (Government, Non-Profit and Academic), and Exchange Online Plans.

\*\*Microsoft 365 Business plans are available with or without Teams. Microsoft 365 Enterprise subscriptions require the Microsoft Teams Enterprise add-on if Teams is needed.
