

Unite Cloud Communications Education Solutions

Secure, Reliable, & Compliant Communications with Cost Assurance

Unite Education Solution provides a budget-friendly, secure communication solution with phone, video conferencing, chat, SMS, and file management that connects with your Intercom and Emergency Notification Solutions. AND our Unite For Teams Advanced fully embedded solution means all communications are managed within a single application.

THE SOLUTION SET INCLUDES:

- **Budget friendly:** education specific packaging and pricing
- **Safety and security:** emergency notifications, survivability and scalability
- **Compliance:** SOC2, SOC3, ISO 27001, HIPAA compliance
- **Unified Communications:** fully embedded with Teams
- **User-Friendly:** Inbound call routing and privacy controls
- **Data Archiving:** Dispute resolution and communication validation
